MESSAGE FROM THE HON'BLE VICE-CHANCELLOR

It is a matter of immense pleasure that the University is bringing out next issue of its biannual News letter. The News letter provides the glimpses of various activities that took place during last six months. Various statutory bodies like Academic council, Finance committee, and Executive council held the meetings and took various decisions related to academic, administrative and financial reforms.

The glimpses of activities of the University in upcoming pages transmit an affirmative scenario of academic activities including faculty development program, skill development courses and consistent workshops and seminars to promote the quality education policy of CBCS among various colleges affiliated under University.

The University has been working incessantly for the last three years to provide quality educational opportunities to varied, less privileged sections through its affiliating & UTD systems. Recently Govt. E.R.R. PG College was awarded A grade by NAAC. Now, under Bilaspur University 3 colleges have been awarded A grade by NAAC. This indicates that Bilaspur University is continuously making all efforts in improving the quality of higher education in the state of Chhattisgarh.

The University is moving with limited resources and at juvenile state of 3 years it had accomplished unimaginable targets. Some joint consulting projects have been initiated by the University. Recently Student's life cycle has been inaugurated by the honourable minister of higher education Shri Prem Prakash Pandey ji with the help of CHIPS.

During last six months various syllabi have been updated by the BOS. Recently Pre. Ph.D. admission tests have also been conducted for the first time as per the UGC Regulation 2009. I am sure that the News letter will provide a platform to disseminate various activities which took place during last six months in University and in its affiliating colleges. The continuous efforts for confronting the new challenges in higher education have led to implement CBCS with some skill courses in our Autonomous Colleges. The community outreach, Swachh Bharat, Yoga, Popular lecture series have been quite energizing.

I take this opportunity to congratulate our colleges who have successfully completed NAAC assessment and have been awarded very good grades. We move forward for Excellence in higher education through teaching, research and outreach activities.

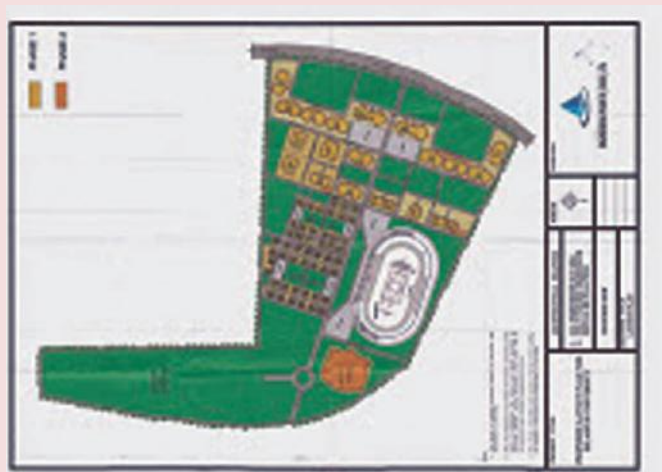

I wish all the best to all the university fraternity for their untiring efforts for taking the newly born university to a new height of academic excellence.

Prof G.D. Sharma
Vice-Chancellor

TWO-DAY NATIONAL WORKSHOP ON ASSESSMENT AND ACCREDITATION OF QUALITY OF THE HIGHER EDUCATION

Two-day workshop on "Assessment and Accreditation of Quality in the higher education" was conducted on 24th and 25th February 2015. The workshop was sponsored by NAAC, Bangalore and organized by Bilaspur University, Bilaspur. The seminar provided a platform to discuss various issues concerning the NAAC role in higher education, its contribution to the society through education, preparation methods and necessity of NAAC assessment and accreditation of colleges and Universities.

The Workshop was inaugurated by Chief Guest Prof. Kamal Singh,, Dr. Kamal Singh, Former-VC, SG Baba Amaravati University, Amravati, Maharashtra and was evidenced by the graceful presence of Dr. A.P Padhi, Formar VC Berhampur University, Prof. Meena Prakash, Principal, SNTD University, Mumbai, Shri Sushil Trivedi, Formar Chief Election Commission, C.G., Prof G.D. Sharma, Vice Chancellor, Bilaspur University, Bilaspur, Dr. U.K Srivatsav, Convener and

Exam Controller, Bilaspur University, Bilaspur and Dr. Arun Kumar Singh, Registrar, Bilaspur University. Prof. G.D. Sharma, VC, Bilaspur University, Bilaspur in his address stated that updated information of the teachers provides the improved education in an Educational organization. Presently the institutions like UGC and NAAC are verifying quality of higher education. The affiliation of the institution through assessing provides and updates value added education in the academic background. The training in several colleges and universities has to be provided with quality for the development of the society. NBA mostly concentrate on education, UGC concentrates on Autonomy but NAAC concentrates on assessing and accreditation of the organization.

NEWS LETTER

The GER rate of the education in five districts under Bilaspur University has to be improved. In Bilaspur GER is quite good but in case of Korba and Champa it is less than the National average under RUSA provided funding to the colleges and universities having 12(B) and 2(F) status and can be for the development of infrastructure and upgradation of teaching.

Dr. Kamal Singh, Formar-VC, SG Baba Amaravati University, Amravati, Maharashtra stated that NAAC will assess and accreditate the institutions at National level. All the colleges and Universities should definitely have NAAC, 12(B) and 2(F) status, a representative of quality education. Primarily NAAC assess the institutions with grades A,B,C and rarely D. The grades will be provided based on the awareness and skills of the institution. The skills of the students mainly depend on the skills of the teacher. The teacher is the main component of the institution that make the pathway of the institution and students. Private organizations mainly think about money but will not see growth of good teachers. Skills and development of the institution is mainly due to the focus of the organization at state, national and international levels. The usage of ICT enabled learning is to develop motivation of

the student. "If I see or listen, I may forget. If I do, I may not forget". NAAC will see the documents that were submitted and assess the self appraisal based on submission. The educational colleges and Universities have to submit Lol and SSR for NAAC accreditation. Infrastructure is stable but the curriculum changes from time to time. BOS has to update the curriculum from time to time based on the present changes. The syllabus has to be designed should be based on the NET, SLET etc and largest care has to be taken at this level. The eminent speakers of the technical sessions were Dr. AP Padhi, Formar VC, Berhampur University, Orissa on "Process for NAAC Assessment & Accreditation" .Shri Sushil Trivedi, IAS, Former Chief Election Commissioner, C.G. State spoke on "Governance of Educational Institutions"Dr. Meena Prakash Kute, Principal, P.V.D.T. कालेजों के फार्म में थर्ड जेंडर का आश्रय

विभूमि न्यूज, बिलासपुर

कालेजों में प्रवेश के लिए मिलने वाले एडमिशन फार्म में अब थर्ड जेंडर का भी आशय दिया जाएगा। बिलासपुर यूनिवर्सिटी के रजिस्ट्रार अरुण सिंह ने संबंधित समस्त कालेजों के प्राचार्यों को एक लिखत के माध्यम से थर्ड जेंडर के आशय देने निर्देशित किया है। इसके साथ ही थर्ड जेंडर के सुरक्षा एवं संरक्षण के लिए कालेज लेवल में थेटपाथ प्रोचो ब्रजोट के गठन के लिए निर्देशित किया गया है।

यूनीवर्सिटी के आदेश के बाद अब कालेजों में फार्म में थर्ड जेंडर का भी आशय दिया जाएगा। छत्तीसगढ़ शासन के उच्च शिक्षा विभाग के आदेश प्राप्त होने के बाद बिलासपुर यूनिवर्सिटी के रजिस्ट्रार अरुण सिंह ने मंगलवार को समस्त कालेज के प्राचार्यों को एक लिखत है। इसमें प्राचार्यों को निर्देशित किया गया है कि कालेज के फार्म में पुरुष, महिला के साथ-साथ थर्ड जेंडर के लिए भी आशय रहेगा। इसके अलावा कालेज स्तर पर थर्ड जेंडर के सुरक्षा एवं संरक्षण के लिए थेटपाथ प्रोचो ब्रजोट का गठन किया जाएगा। यूनीवर्सिटी के निर्देशों के

बीयू व तीन ऑटोनॉमस कॉलेजों में ग्रेडिंग और मार्क्स सिस्टम दोनों रहेंगे

इस साल से च्वाइस बेस्ड क्रेडिट सिस्टम भी लागू, प्रवेश-परीक्षा भी हो सकती

प्रगुलशन विप्लवे | बिलासपुर

बिलासपुर यूनिवर्सिटी और तीन ऑटोनॉमस कॉलेजों में इस साल से ग्रेडिंग व मार्क्स सिस्टम दोनों ही रहेंगे। बीयू नए साल से यह प्रयोग करने का रही है। ये सिस्टम एमने के पीछे यूनिवर्सिटी में कई कालेज भी लागू है। इन कालेजों में प्रवेश प्रोचो करवाने का निर्णय लिया जा सकता है।

यूनिवर्सिटी इस साल से च्वाइस बेस्ड क्रेडिट सिस्टम लागू कर सकती है। बीयू में अभी सेमेस्टर सिस्टम चल रहा है। साथ ही तीन ऑटोनॉमस कॉलेज में ई. सप्लाइंग थन, बिलास नर्सिंग कॉलेज और राणार के विरोधीमूल कॉलेज में भी सेमेस्टर सिस्टम चल रहा है। यूटीडी के साथ ही इन तीनों ही कॉलेज में तर सत्र से च्वाइस बेस्ड क्रेडिट सिस्टम लागू होने का रहा है। इसके साथ थर्ड जेंडर सिस्टम भी लागू किया जा रहा है। यह सब यूनीवर्सिटी के मासिकी के अनुसार हो रहा है। लेकिन ग्रेडिंग सिस्टम में कुछ खासियों के कारण यूनिवर्सिटी अपना इसके साथ मार्क्स सिस्टम को भी रख रहा है।

ग्रेडिंग सिस्टम में होंगे 10 प्वाइंट

ग्रेडिंग सिस्टम में 10 प्वाइंट होंगे। आउटस्टैंडिंग के लिए 10 प्वाइंट होंगे। इसके अलावा ए (वेरी गुड) के लिए 8 प्वाइंट होंगे। बी+ (गुड) के लिए 7 प्वाइंट होंगे। इसी तरह से बी के लिए 6 प्वाइंट होंगे। सी के लिए 5 प्वाइंट होंगे। डी के लिए 4 प्वाइंट होंगे। एक यानी फेल के लिए 0 प्वाइंट होंगे। यूनीवर्सिटी के एक फॉर्मिंग कॉमिटी/विप्लवे को बिना है। इसने का फैसला

है कि यूनीवर्सिटी के कॉलेजों के सिस्टम को ग्रेडिंग सिस्टम तैयार किया जाएगा और हर कॉलेज में बहुत अलग-अलग चयन होंगे। एमने के पीछे यूटीडी को एमने में भी ग्रेडिंग सिस्टम लागू होगा। इसके अलावा यूटीडी को क्रेडिट सिस्टम भी लागू करेगा। साथ ही हर सेमेस्टर के हिसाब से सी/बी/ए स्कोर सिस्टम लागू होगा। 2015-18 में एडमिशन करने वाले फार्म में च्वाइस बेस्ड क्रेडिट सिस्टम का आशय दिया जाएगा।

BU to introduce CBCS to bring equity, efficiency and excellence in Edn system

Our Correspondent
BILASPUR, June 7

BILASPUR University (BU) is going to introduce University Grant Commission's Choice Based Credit System (CBCS) in three autonomous colleges namely Government Bilasa Girls P G College Bilaspur, Government E. Raghendra Rao P G Science College Bilaspur and K G College Raigarh from this academic session.

Speaking to *The Hitavada* Vice Chancellor of the BU Professor G. D. Sharma claims, 'The BU will become first State university in Chhattisgarh from this academic session that is going to introduce the UGC's CBCS in a bid to bring equity, efficiency and excel-

lence in the higher education system.' The BU will send a proposal to the State government to introduce the UGC's CBCS in remaining colleges.

If the government gives its nod, it will be implemented in all remaining colleges of the varsity, he added.

A one day workshop on 'Choice Based Credit System' was organised by the BU at Bilasa Auditorium recently.

Over 100 participants from various colleges of the State took part in the workshop. VC Dr G. D. Sharma, Director of Bio-Infocmatic Facility Department of Life Science, Assam University Söcher Dr. Monwendra Dutta Choudhary, Dr. R. S. Kher, Dr. S. K. Sharma, Dr. K. Dabhadkar and Dr. D. K.

Shrivastava also addressed the workshop.

It is learnt that the UGC and Ministry of Human Resources Development, Government of India have initiated several measures to bring equity, efficiency and excellence in the higher education system.

Besides governance, other important measures have been taken to enhance academic standards and quality in higher education which include innovation and improvements in curriculum, teaching-learning process, examination and evaluation reforms.

The UGC has formulated various regulations and guidelines from time to time to improve the higher education system and

maintain minimum standard and quality across the higher educational institutions in India.

The semester system accelerates the teaching-learning process and enables vertical and horizontal mobility in learning. The credit based semester system provides flexibility in designing curriculum and assigning credits based on the course content and hours of teaching. The choice based credit system provides a 'cafeteria' type approach in which the students can take courses of their choice, learn at their own pace, undergo additional courses and acquire more than the required credits, and adopt an interdisciplinary approach to learning. Professor G. D. Sharma says.
