Introduction: The Department has organized an informative and inspiring program titled under AI4S series on 24th July 2023. The main speaker for the event was Dr. Vikas Singh from Indira Gandhi National Tribal University (IGNTU), who delivered a talk on "Preparing for IT Companies." The program aimed to equip students with valuable insights and guidance to succeed in the competitive IT industry.

AI4s Academic and Industrial popular Lecture Series Talk-7 on Preparing for IT sector
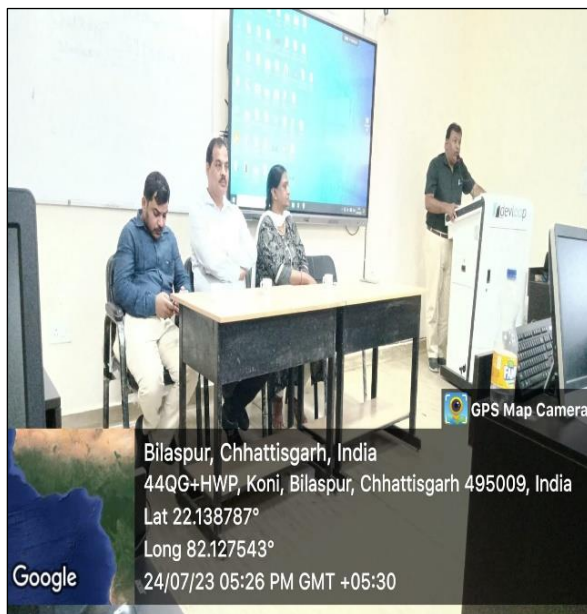

Warm welcome by Head of The Department Dr. H.S. Hota
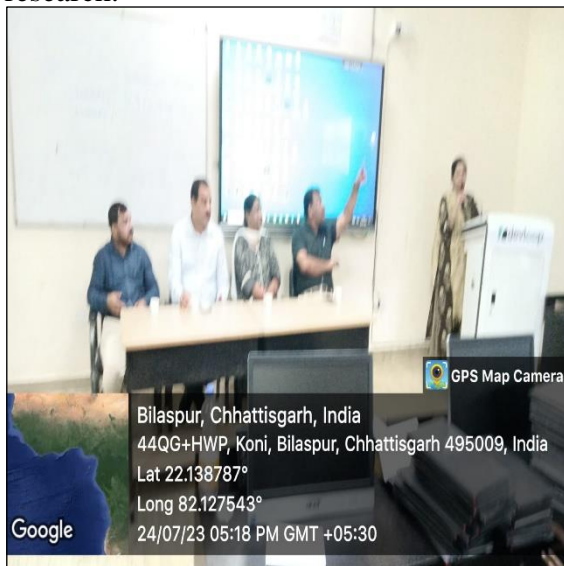

Program Highlights: The program commenced with a warm welcome by Dr. H.S. Hota, the Head of the department. Dr. Hota emphasized the importance of fulfilling dreams and aspirations while acknowledging the role of parents in supporting their children's ambitions. He urged the students to focus on improving their programming skills and work diligently to achieve their goals. Dr. Hota assured the students that the department would always be open to them for learning, research, and guidance.

Dr. Vikas Singh, the main speaker, began his talk by discussing the current availability of IT jobs in the country. He emphasized the need for students to concentrate on their skill development to meet the requirements of the dynamic IT job market. Dr. Singh highlighted the department's well-equipped infrastructure with sophisticated equipment related to emerging technologies, which sets it apart from nearby institutions. He encouraged the students to take full advantage of these resources for learning and conducting research.

Talk-3 Started by discussing the current availability of IT jobs by Main Speaker Dr. Vikash Singh

During the program, Dr. Rashmi, one of the faculty members, reiterated the importance of hard work in securing jobs. She advised the students to align their skills with the demands of the IT industry to enhance their employability. Dr. Rashmi also acknowledged the efforts of Dr. Hota in procuring state-of-the-art equipment related to emerging areas, which has further enriched the learning experience for the students.

Reiterating the Importance of Hard Work in Securing Jobs by Dr. Rashmi Gupta

Mr. Jeetendra Kumar extended a vote of thanks to all the participants and guests for their valuable contributions to the program. He conveyed best wishes to the passing-out students for a bright and successful future. The students also expressed their gratitude to all the teachers for creating a wonderful learning environment during their academic journey.

Vote of Thanks extended by Mr. Jeetendra Kumar to all the participants and guests.

Conclusion: The AI4S lecture series n Preparing for IT sector organized by the Department on 24th July 2023 proved to be an enriching experience for the students. Dr. Vikas Singh's insightful talk on preparing for IT companies provided valuable guidance to the students in navigating the job market successfully. The program underscored the importance of hard work, skill development, and research-oriented learning in achieving career goals.

The department's commitment to providing a well-equipped and conducive learning environment was acknowledged by the speakers and participants. The event served as a source of motivation for the students, inspiring them to strive for excellence and make the most of the department's resources for their personal and professional growth. As the program concluded with a group photograph session, it left a lasting impression on the students, reminding them of the fruitful journey they had at the department and the bright future that awaits them in the IT industry.
