

Report of Workshop

ON

Information Technology and Digital Literacy Program ;सूचनाप्रौद्योगिकी एवंडिजिटलसाक्षरताकार्यक्रम।

As a part of social responsibility, Department has organized workshops for nearby school children on Information Technology and Digital Literacy. These workshops were exclusively organized by Information Security and Educational Awareness (ISEA) club constituted by the department in the year 2018 with the objective of providing social service on voluntary basis in the field of Information Technology. The workshops were coordinated by Mr. Jeetendra Kumar under the supervision of Head Dr. H.S. Hota. The workshops were organized on three different days for two schools on 11-11-2022, 19-11-2022 and 26-11-2022 to make them aware about Information Technology and its usefulness. Workshops were mostly based on Hands-on practice and the topics covered are: basics of Computer System, Windows OS, software like M.S. Office, Exploring important website and mobile applications like digilocker, Creating Gmail account, Browser and Search Engine etc.

In the inaugural session Dr. H.S. Hota, Professor&Head, Department of Computer Science and Application has welcomed all the guests alongwith the teachers of the schools, he has also explained about the purpose and objective of the workshop and awareness program for the school children under the social responsibility. Chief Guestof the workshop Prof. A. D. N. Bajpai, Honourable Vice chancellor, Atal Bihari Vajpayee Vishwavidyalaya, Bilaspur (C.G.) has congratulated for organizing unique program by the department. He also said that university is not only a centre of teaching and learning but it has its social responsibility also. At last coordinator of ISEA Club Dr. Rashmi Gupta has proposed vote of thanks.

Teachers of the department and members of ISEA club were fully engaged to provide hands-on training to the students. After training, many students have expressed their views on the workshop and wishes to join similar type of workshop again, they also said that workshop is very fruitful for them to enhance basics of computer knowledge. Principals and students have expressed their gratitude to the HoD and all faculty members along with students of department of Computer Science and Application, Atal Bihari Vajpayee Vishwavidyalaya, Bilaspur for conducting such a nice programme.
